

End of Fiscal Year 2007-08
Chair Report

The Weight Management Dietetic Practice Group completed its fifth highly successful year thanks to its many members and dedicated volunteers. Following the financial section of this report please find the list of all of those who served on the Executive Committee for 2007-08. If you have the opportunity, please be sure to introduce yourself and to thank them for the many hours that they gave for the advancement of the profession. My immense gratitude goes to each and every volunteer.

I also extend a heartfelt thank you to all of the members and founding members who may not be listed but who contributed to the success of the WM DPG through grass roots efforts, participation in the learning opportunities, contributions to the newsletter, the listserv, the member market place, mentor network, survey, subunits, and legislative activities. Your very presence as a member has helped all of this to become a reality.

Financially, the WMDPG had a very successful year. Please note the increase in membership from 4,467 to 4,737 in part due to instituting a new, more affordable student membership category. There was also an increase in revenues and an increase in services that you, the membership, helped to make possible. The highly successful 2008 Symposium contributed significantly to our 2007-08 revenues due to record attendance at this outstanding workshop. Thank you to the entire Symposium team chaired by Linda Gigliotti who made this possible. Watch for details about the upcoming 2009 Symposium.

Please go to the WMDPG redesigned website at www.wmdpg.org for a list of sponsors who provided financial support for the newsletters, the FNCE receptions and activities, and the 2008 Symposium. On this website you will also find a listing of all of the services and educational opportunities as well as volunteer opportunities available to you, the membership. Many thanks to all of these sponsors whose financial support made many of these member benefits possible.

If you have any questions or comments, please feel free to contact me at: mkrygowski@comcast.net.
Congratulations to all of you whose efforts have created this marvelously successful practice group.
